Lions of District 11D1,

My how time flies, summer is just 21 days from now. The end of our Lion 2019-2020 year is June 30. This is the last article written as District Governor of Lions of District 11-D1. Thank you for the opportunity. It has been an amazing year, full of ups and downs! I cherish all the new memories of inductions, club meetings, activities, anniversaries, and a plethora of other activities. Thank you again.

Last month's newsletter mentioned many firsts in the district this year. Well, there is another first for me as governor. On May 19, Saginaw, Tittabawassee and Spaulding Townships were affected by the flood from the failure of the Edenville Dam. District 11-D1 boundary, Saginaw County, is downstream from Midland. A \$10,000.00 LCIF Disaster Relief Grant was requested and received for District 11-D1 to assist those affected by the flood in the district. Lion Steve Goss started the ball rolling and Lion Matt Tetloff and First Lady Lion Deb VanTol put Lions boot-on-the-ground in the townships. Lions continue to serve. Thank you to all who volunteered.

Disaster Relief Fund

A district disaster relief fund is being setup. The \$10,000 LCIF Disaster Relief Grant serviced Saginaw and Tittabawassee, \$7300. More was needed to do similar relief to Spaulding Township. A request was sent to the club secretaries and presidents requesting additional funding from the clubs and/or individual Lions to aid in this 2nd underserved area. If the funds collected exceeds the need, the balance will be the seed money for the new District Disaster Relief Fund. The district will need to setup guidelines for its use.

The District Disaster Funding Request was emailed to the district mailing list on Friday, May 29 and requested the commitment of funds by May 31st. As of this writing, pledges/donations have been received from these clubs: Auburn-Williams, Great Lakes Bay Area Sports, Bridgeport, Carrolton, Davison, Saginaw West, Chesaning, Linden, Merrill, Fenton, Montrose. Individual Lions have also pledged to help: John and Rosalie Schmidt, Diana Fairgrieve, Mike Phelps, Jeff Hunt and some anonymous Bay City Lions members. It is known that many clubs need a vote to spend money. So I know this list

Zoom Club Meetings

These clubs have used Zoom to meet during this “Stay at Home” order and has invited the District Governor to attend: Gaines, Auburn-Williams, Bay City, Flint Downtown, Grand Blanc, Linden and Frankenmuth, Auburn Williams and Gaines used this opportunity to have their Twinning Meeting. Frankenmuth’s officers will be installed June 3 using ZOOM.

Officer Training Continues

Secretaries have been trained online with Zoom. On June 1, the Region and Zone Chairs will be trained for their year of service. Presidents are scheduled for June 2. The final training session, for the treasurers, is on June 4. Zoom allows the training sessions to be recorded. The invitation to attend the Zoom training is being sent to all officers. If you would like to see what a position’s duties are before you commit yourself to an office, ask to be invited to the live training or request the link to the unedited recorded session. Zoom makes it easier to attend meetings, receive information, and saves money and time.

Election Update

The voting for our 2020-2021 District Officers was completed on May 2, 2020. The results for the new officers for 2020-2021 are: District Governor Harold DeMott , First Vice District Governor Duane

Wilcox and Second Vice District Governor Jack Frost. The other items were the locations for future district conventions. The 2021 District Convention will be at the Mt. Pleasant Comfort Inn and in 2022, it will be in district with a tentative location of the Bay City Double Tree.

HAVE YOU SIGNED UP??
What are you waiting for?? We still have only 123 Lions signed up to receive District News out of the 802 possible Lions. Hopefully, those who have not signed up will do so soon. Having one “email master list” will eliminate duplicate information being sent to you. Please note your email will not be shared with any other business or even LCI. When the list is complete and information needs to be sent to all District 11D1 Lions, the information can be sent directly by the Cabinet Secretary or the Newsletter Editor. Yes, even if you are currently receiving the information directly from Lion Phyllis, your club secretary or president, you still need to subscribe. Please, please, please, take the time to do this now.

We will keep “Moving Forward,” developing new and improved ways to serve our community and beyond. Together, as Lions, we will help those who need assistance because.....” WE ARE LIONS.”

Mini Cabinet Meeting
May 3 via Zoom

From District Governor Elect Harold DeMott

Hope everyone is surviving this Covid-19 pandemic we have going around. There really isn't much to report right now. But I would like to bend your ear a little.

I have been doing the District Governor training on line that was supposed to happen at the Singapore Convention. It is quite different doing everything via Zoom. I must add that I am thankful that we have this option for our meetings. It only takes a little getting used to. Several others as well as myself will be sworn in as the new District Governors on Zoom.

If you haven't tried to use Zoom for Club meetings please give it a try. It is important to keep in touch with our members. When this is over we will have a lot of catching up to do as far as fundraising and service. Now is a good time to utilize Zoom to brainstorm ideas for future projects and fundraisers. We have a lot of younger Lions that have a much broader knowledge of the cyber world. If we can unite them in our

meetings it's a win-win situation. If you are knowledgeable about using the internet and have even a vague idea, we can all work together to make it happen. We just need someone to spark some conversations. There are enough non Lions to help support all of our clubs. I'm sure there is a way to do an online bingo or something. If you have an idea and are willing to help other clubs as well as your own to brainstorm and possibly come up with some internet fundraisers, then please send me your contact information and we will publish it to other clubs. Thank you for helping our own Lions!

Thank you all for listening to me!

As DG Lion Steve says: "Moving Forward!" & Dr Jung-Yul Choi "We Serve through Diversity" Let's continue with those themes!

**WE COULDN'T DO WHAT
WE DO WITHOUT YOU!!**

**THANKS FOR ALL YOU
DO!!!**

Lion Harold DeMott DG-Elect

MAKE IT FUN AND WE WILL MAKE IT HAPPEN TOGETHER!!!

Hello fellow Lions,

As I write my newsletter article, I hope that everyone is safe and doing well.

The floods have done a lot of damage to homes and businesses. Thanks to the grant from LCIF, our District and two other Districts have done an awesome job with helping families in need, and they will be doing it again on June 2nd. Great Job, Everyone!!!!!!

I would like to thank everyone who have been making masks to give away. You have helped so many people stay safe during this COVID-19 pandemic and don't forget to turn in your hours to MyLion. That way your club will get the credit that it so greatly deserves. Go Lions!!!!!!

If your club has not sent your new club officers in to MyLCI, please do so quickly. That will let our

incoming Governor Harold get his roster book done and off to the printer. This will allow us to have them ready when our new Lions year starts. Thank you

A few dates to remember Region & Zone Chairs Training is on June 1st at 6:30 p.m. via Zoom; Presidents training is on June 2nd at 6:30 p.m. via Zoom; Treasurers training is on June 4th at 6:30 p.m. via Zoom. If any club would like to hold a Zoom meeting for their club meeting please contact Governor Steve, and he will set one up for your club. It is easy to have your club meetings on Zoom and you get to see some friends that you might not have been able to see in a while.

Keep up the Great work that all of you Lions are doing.

*Yours in Lionism,
2VDG Duane*

HUMBLE AND KIND

Coming

Later

the Linden Lions Club's WHITE ELEPHANT AUCTION

The LINDEN LIONS will be hosting their annual WHITE ELEPHANT AUCTION at a time that will be determined later.

Plan on joining the LINDEN LIONS for a night of fun and treasure hunting when the COVID 19 pandemic is over and it is safe to meet once again.

Watch for updates in the newsletter as the situation changes.

In the meantime, stay home and stay safe.

Even though we are in somewhat of shutdown mode, LCIF continues to come to our aid. Many emergency grants have come to Michigan and our District, for help with the COVID- 19 Virus and the recent destruction of property by the dams failing on the Tittabawassee River. If

your club and or members are able to contribute, please do so.

Send donations to LCIF Dept. 4547, Carol Stream Illinois 60122.

Thank You,
PDG Bob Sturgis

Last month, we introduced the puppy who would receive tag #20,000. To celebrate this milestone, we invited you to help vote for his name. After 343 people voted, the name chosen was Legacy! Now, Legacy is at home with one of his puppy raisers. He is being group raised by three of Leader Dog's own guide dog mobility instructors. We are following his journey as he grows and turns from this adorable puppy to a dog that's ready to be the eyes of someone who's blind.

You can find out more about Legacy and what he's up to these days on our website. He has his own page! You can also give a gift in honor of Legacy and what he represents—80 years of puppies like this one becoming the reason a person who's blind can travel confidently and independently.

From State Office

In compliance with Governor Whitmer's "stay at home" order, the state office will be closed until further notice.

I will activate my "home office" and will conduct Lion's business via email, phone, and any other means available.

Wishing you good health and safety during trying times!

Ultimately, we want the Lions Bear Lake Camp experience to be a safe one for you, your family and our staff. Please continue to share our message with your family, friends and fellow Lions members.

We are actually excited to be offering a new opportunity that will reconnect us with our campers. While its very non-traditional, we are ready to do what it takes to not let COVID-19 completely win in 2020!!!!

FROM SPECIAL NEEDS VISION CLINIC

On behalf of Special Needs, many thanks to all the clubs who donated to Special Needs at the Parade of Checks despite not having a convention. Your generosity is very much appreciated.

PDG R.G. Barnum

Hello Lions!

It's been a few months since our club has updated the district with what we are doing. I am going to start out by pointing out we are still doing our meetings via Zoom and it is a little more difficult considering it has harder for engagement and friendly interaction, but we are still making the best of it and plugging along.

Our 50 Gun Raffle was rescheduled to September 20th and allowed by the State of Michigan due to the restrictions in place by the Corona Virus. This has slowed sales and made things more difficult, but we are still selling tickets ourselves along with many of the great clubs we have in our district. We have been so thrilled that some of the other clubs are doing great and raising money for their club and community! We want to HELP more clubs do the same. I will be reaching out again to the clubs for the 2nd wave of tickets and the potential benefits this fundraiser can have for ALL!

We have started a planning phase of a Golf Tournament and already have sponsorship commitments from many businesses so far. We are planning a fun and exciting tournament and different from the norm. We will also be inviting other clubs and would appreciate other clubs inviting us to theirs. I would like to make these events a friendly competition between clubs and a trophy for the best Lions Club Team at these events. Makes it a little more fun and would provide some bragging rights until the next Golf Event. Please reach out if you have any interest.

Our members are doing great and still remain very passionate and engaged. I can't begin to relay how proud I am of this club and their willingness to make a difference. I am confident we will be moving along with more speed as we have been setting up our committees and assigning tasks. Because we have mostly new members, we will be working on sharing information within our club on who and what Lions are and do. There are so many great examples of clubs being proactive within our district and leadership in the district that have already been a great source of information and have offered assistance when needed. Our club is very grateful and appreciative.

We are just now working on club progression through the Club Quality Initiative Program and will be referencing this throughout the year to make sure we stay on track and be the best Lions we can be. Our 2nd Vice, Lion Jamie Westphal will be in charge and working with the club to reach the goals and desired results that International would like to see while still working as a club to achieve our main goals and serve our communities. We have been able to get a few more members during the pandemic and are very excited to get them settled in our club and have an in person meeting again for a meet and greet.

Lastly, lots of great things going on through our district and have been very grateful with our current leadership for all of their help and welcome our new leadership with full support. It is challenging now as everything has changed, but Lions will Rise Up and still make an impact on their communities. Together we serve!

This is beautiful! It's a 100% hand crafted cedar Kayak. Raffle tickets are available to purchase and to sell to your friends and family! Contact Lion Ed Reaume 989-239-4344. Tickets are \$5 each or 5 for \$20.

We have been so busy getting ready for some Covid-19 safe activities. Like our golf outing! How exciting... we can't wait to actually be able to see each other again (in a covid-19 safe way of course).

We have been helping out with the Salvation Army Food Drives and our Leos, teachers and friends (pictured below) joined us in phase 2, completing our special project Lions/Y garden and community memorial tree planting. This weekend lots of Lions, Leos, and friends will be helping with our Bigelow Park cleanup. It will be clean and fresh for when we are able to start our Summer Cookouts again. Hopefully soon.

Our Golf Outing flyer is below. Please come join us for some SAFE Summer fun and buy lots of raffle tickets for our Kayak!!! But get them while you can! We only have 1,500 tickets to sell.

Chesaning Lions Club donated \$500 towards Spaulding Township fund to help those affected by the dam breaking

Chesaning Lions members and other volunteers helped the Saginaw CAC pass out food boxes at the Chesaning Lions hall on Tuesday, May 19. Because of COVID19, we had to line the individuals up and place their food boxes in the back seat or trunk of the vehicle. Everyone's participation with wearing masks and gloves are phenomenal. Thank you to everyone for staying safe. God bless!!

Flushing Lions have not been completely silent during the months of being sequestered.

Ten Scholarship students have been interviewed with Zoom. The results will be presented in June.

Food delivery for the Flushing Christian Outreach Center (FCOC) has been delivered.

Lion Yetiva Allen has been busy with her sewing machine finishing the community quilt with about 25 hours spent for the FCOC, as well as making masks and hats for hospital workers, and community members. Masks have also been made for the staff at the Liberty Family Dining where meetings are held. They are currently providing takeout orders only.

About \$1500 of cans and bottles have been collected by Kristin Shively and Yetiva as part of our can and bottle drive. A one load delivery is shown here.

One hundred tickets were returned for the Foundation Raffle which will bring \$500 to the club to help support the projects we have not been able to work this year. Fifty five tickets were turned in for the Gun Raffle to support the Special Needs clinic. Kristin's Facebook page has been rolling in the Money. A donation of \$1000 was made to Leader Dog to be matched with their matching program and over \$150 was raised on a Norwex party on May 18-22nd.

Lions Around the District

Kingston Lions Club: Delivered 7 fleece lap robes to the Extended Care Facility of Marlette Community Hospital - arriving in time for them all to be used for their parade for the patients.

Community service has consisted of helping prepare lunches for 376 school children and then working at the drive in food pantry for approximately 100 families, and volunteering to do filing at the Hospice office.

We were notified of the need of a braille reader for a blind 4-year-old boy in our community. Thanks to the support of the District Sight Committee, donations from members and the club treasury, we were able to provide the \$1,050 to procure the device. We are currently collecting bottles/cans to be recycled when the lock down ends.

Linden Lions Club donated \$200 to the Lions of Michigan for the district project and \$500 to the Spaulding Disaster Relief.

Mayville Lions were able to complete their annual flower planting in 18 barrels around the village. A local greenhouse generously donated all the flowers. The village contributed by replacing numerous barrels that were beyond repair. District 11 D-1
